

- **Pierre Gfeller** is the President and Executive Director of the McGill University Health Centre. A family physician by training and Master in Business Administration, Dr. Gfeller has been dedicated to hospital administration for the past 20 years and in doing so has developed an expertise in managing change in the context of the reorganization of health and social services. Throughout his career he has demonstrated a capacity to bring diverse interests together to create positive working relationships and solid and effective partnerships. Before joining the MUHC as President and Executive Director, Dr. Gfeller served in the same capacity at the CIUSSS du Nord-de-l'Île-de-Montréal, where he oversaw the successful integration of hospitals, specialized clinics, CHSLDs and CLSCs and the recruitment of a strong and diverse management team, while balancing the budget.
